The Success Personalized Recovery Oriented Services (PROS) program is a resource designed to help individuals living with mental illness regain the skills and abilities needed to move forward on their life goals. Success embraces the recovery model of mental health and realizes each individual has their own set of unique

More...

strengths, abilities and needs. At the Success program, the team focuses on personalized recovery; each individual creates their own plan for realizing their life goal. Individuals can engage in a variety of activities and groups based on their interests and need. Goals of employment, furthering their education and living more independent lives are constant themes within the program.

About Skills Unlimited Inc.

Skills Unlimited Inc. is a not-for-profit organization which offers a full range of rehabilitation services to person with disabilities. Skills Unlimited became incorporated in 1954 and opened its doors to the Long Island community in 1955. Our basic goals have remained the same and that is to offer persons with disabilities the opportunity to explore and develop their full vocational potential.
