

Seeking A Job?

Talent Connection: Uniting Long Island's
Top Employers With Differently-Abled Job Seekers

Job Expo

Friday, June 7, 2019

The "Talent Connection" Job Expo will offer job seekers an opportunity to discuss their skills and abilities with recruiters, from key businesses on Long Island; and those businesses to reach out to a very special labor population, as well as learn valuable information at our employment workshops.

The day will commence with a **Community Partnership Forum** that includes success stories and an award ceremony for Top Star Employers who have hired people with disabilities. Companies will learn what to expect when hiring someone with disabilities.

The forum will be followed by various workshops, including:

- Interviewing Skills
- Positive Impact of Employment
- Networking to Uncover Employment Opportunities
